NAME: _____

DATE: ____ / ____

REFERENCE

The new verbs

Mesma regra, verbos novos

The families don't change. The lists do.

Onde aparece **sb / sth**, cabe uma coisa no lugar da pessoa: *I can't get the printer to work.*

FAMILY	NEW VERBS	EXAMPLE
FAMILY 1 verb + sb + to	get, urge, beg, permit, require, enable, inspire, trust, dare would love · would hate · would prefer help (with or without to)	I finally got my dad to see a doctor. Convenci meu pai a ir ao médico.
FAMILY 2 see · hear · watch · feel · notice + sb + verb	Sem to depois da pessoa. Você só viu, ouviu ou sentiu. help também vive aqui.	I saw him leave the house at six. Eu vi ele sair de casa às seis.
FAMILY 3 that + sb + verb	demand, request, propose it's important / essential / vital that advise, ask, urge, require (também Família 1)	I propose that we vote on Friday. Proponho que a gente vote na sexta.

would love, would hate, would prefer: "for" is optional.

We'd hate (for) you to miss it. Com "want", nunca: I want you to come.

REFERENCE

get, have or make?

Convenceu, era a função dela, ou não teve escolha?

If you had to convince, it's "get". Only "get" takes "to".

VERB	WHEN YOU USE IT	EXAMPLE
FAMILY 1 · TO get	Você convenceu . Custou um pouco.	I got my dad to see a doctor.
FAMILY 2 · NO TO have	É a função da pessoa.	I had the nurse check my blood pressure.
FAMILY 2 · NO TO make	A pessoa não teve escolha .	The pain made him call the doctor.
