Agree it.

Read the statement. Agree, disagree or say you are not sure. Then say why, with a marker.

Defend your side!

Leia a frase, escolha um lado e explique com um marker. Os exercícios são os mesmos da página online.

NAME · NOME _____ **DATE · DATA** ____ / ____ / _____

HOW TO PLAY · COMO JOGAR

1. **Read the statement aloud.**
   Leia a frase em voz alta. O marker está em destaque.
2. **Read the two voices.**
   Leia as duas opiniões. São pessoas fictícias, só para puxar a conversa.
3. **Tick Agree, Disagree or Not sure.**
   Marque o seu lado. Pode ser o contrário do que você pensa de verdade.
4. **Say why, answering one voice, with a marker.**
   Depois do marker, nome ou sujeito e verbo? Escreva a sua frase na linha.
5. **Answer the follow-up question aloud.**
   O professor faz mais uma pergunta, e você usa outro marker.

1 Young reps can win big clients **despite** their lack of experience.

Vendedores jovens podem conquistar grandes clientes apesar da falta de experiência.

VOICES · VOZES · FICTIONAL

> **Marina, R&D chemist, paint manufacturer**
> Last month a young rep came to our plant and asked for the technical data sheet before I even said anything. She had read about our line. I answered her first, honestly, because she had done the work.

> **Roberto, purchasing manager, paint manufacturer**
> I have bought resins for twenty years. When a very young person calls, I wonder if he can solve a problem when the delivery is late. I give him a small order first, and we see.

construir credibilidade **build credibility** · *um comprador experiente* **a senior buyer** · *fazer o dever de casa* **do your homework** · *conhecimento técnico* **technical knowledge**

2 A young rep grows faster **thanks to** a demanding manager.

Um vendedor jovem cresce mais rápido graças a um gestor exigente.

VOICES · VOZES · FICTIONAL

> **Patrícia, sales director, additives supplier**
> My first manager was tough. He sent me back to a client three times with the same proposal until I understood the objection. I was angry then, but I still use what he taught me.

> **Lucas, sales rep, 25**
> My manager checks my calls every week. I feel watched, not helped. I would rather have someone who sits with me and listens to a real call.

definir metas altas **set high targets** · *dar feedback honesto* **give honest feedback** · *tirar alguém da zona de conforto* **push someone out of their comfort zone**

controlar cada passo **micromanage** · *assumir a responsabilidade* **take ownership** · *ser promovido* **get promoted**

3 **Although** cold calling feels old-fashioned, it still works.

Embora ligar para clientes que não conhecemos pareça antiquado, ainda funciona.

VOICES · VOZES · FICTIONAL

> **Fernando, purchasing buyer, coatings plant**
> I get four or five cold calls a week. Most are bad. But two months ago someone called with a cheaper pigment, and I needed it. I said yes to the meeting just because the timing was right.

> **Camila, key account manager**
> I have not made a cold call in three years. All my new clients came from referrals. I think cold calls only work if you have a very good reason to call.

passar pela recepção **get past the gatekeeper** · *uma lista fria* **a cold list** · *lidar com a rejeição* **handle rejection** · *marcar uma reunião* **book a meeting** · *dar continuidade* **follow up** · *um contato interessado* **a warm lead**

4 A rep should never give a discount **even though** the client is about to leave.

Um vendedor nunca deveria dar desconto, mesmo que o cliente esteja quase indo embora.

VOICES · VOZES · FICTIONAL

> **Rodrigo, sales manager, resins**
> Once a client said he would leave if I did not give 8%. I said no, he stayed, and he is still with us. If I had said yes, he would have asked for 10% the next quarter.

> **Aline, buyer, industrial paint**
> When a supplier refuses to move, I take it as a sign that they do not care about my business. I have changed suppliers for 3% before. It is not personal, it is my target.

☐ **Agree** ☐ **Disagree** ☐ **Not sure**

5 Many deals are lost **because of** poor preparation, not bad luck.

Muitos negócios são perdidos por falta de preparo, não por azar.

VOICES · VOZES · FICTIONAL

> **Henrique, sales rep, 12 years in the market**
> I once lost a deal because I could not explain the difference between two additives. The client looked at me and said, 'I will call you when you know.' That hurt.

> **Beatriz, procurement analyst**
> Most of the time I choose the supplier before the meeting. The meeting is just to confirm. Sometimes preparation does not change anything.

☐ **Agree** ☐ **Disagree** ☐ **Not sure**

10 Using AI to write proposals saves time, **even though** clients can tell when a text is automatic.

Usar IA para escrever propostas economiza tempo, mesmo que os clientes percebam quando o texto é automático.

VOICES · VOZES · FICTIONAL

> **Daniel, sales rep, 26**
> I use AI to write the first version of my emails. It saves me an hour a day. But I always change the opening, because the first line has to sound like me.

> **Marta, purchasing manager**
> I received a proposal that had the name of another company in the middle of the text. I stopped reading. If you are going to use AI, at least read it.

economizar tempo **save time** · *uma proposta genérica* **a generic proposal** · *personalizar uma mensagem* **personalize a message** · *um primeiro rascunho* **a first draft** · *soar robótico* **sound robotic** · *revisar antes de enviar* **review before sending**
