READING

Hello. I'm Tracey Sullivan and I'm a teacher at a big school here in the U.K. I live in London, but I'm from Melbourne in Australia. I'm 29 and I'm married to Pierre. He's 33 and he's from France. He's not here at the moment because he's in New York for work. He's a photographer. We have two children, a boy and a girl, and Pierre has a son from his first marriage. My first language is English, but I speak French too. My parents live in a small village in the countryside, so a city like London feels very big to me. I don't mind living in a city, but I prefer the quiet of the countryside. When my husband is here, we enjoy visiting the museums and the art galleries on the weekend. We also go to restaurants sometimes. There are many good French restaurants here in London, but there aren't many Australian ones!
