1 · QUICK REVIEW

Three families, one rule for the not

Revisão rápida · um minuto

1 verb + sb + to

want · need · ask · tell · advise · remind · expect · allow

NOT ON THE ACTION
I told him **not to** call.

NOT ON THE REQUEST
I **didn't** tell him to call.

2 let · make · have + sb + verb

No "to". The not goes on the first verb, always.

SAY
My dad **didn't let** me go.

NEVER
~~My dad let me not go.~~

3 suggest · recommend · insist · demand + that + sb + verb

Formal. The verb stays in the base form for every pronoun.

SAY
I suggest that he **not** drive.

NEVER
~~I suggest that he doesn't drive.~~

> **The not on the first verb always needs an auxiliary.**
> Don't, doesn't, didn't, won't. O verbo volta pra base: She didn't ask, nunca didn't asked. Depois da pessoa, o não é "not to": He told me not to call her, nunca "don't".

3 · MARKERS · REVIEW AND TEST · 9 POINTS

The markers you studied

Revisão rápida e teste dos markers: Join it, Shrink it e Aim it

1 because · so · although · while + sb + verb

Join two ideas. Each one keeps its own subject and verb.

SAY	NEVER
Although she was tired, she finished.	~~Although she was tired, but she finished.~~

2 because of · due to · thanks to · despite · during + noun

After them comes a noun, not a subject and a verb.

SAY	NEVER
We stayed home **because of** the rain.	~~We stayed home because of it rained.~~

3 to · so that · for

Say what it is for: to + verb, so that + sb + could, for + noun.

SAY	NEVER
I spoke slowly **so that** she could understand.	~~I spoke slowly for she understand.~~

FOR HER TO

I left a seat ~~for she to~~ <u>for her to</u> sit on.

Outra pessoa faz a ação: "for" + pessoa + "to". Depois de "for", o pronome muda: her, him, them.

WANT YOU TO × FOR YOU TO

I want you to come.
Eu quero que você venha. Depois de want, a pessoa vem direto antes do "to".

I left a seat for you to sit on.
Deixei um lugar para você sentar. Aqui há um objetivo: "for" + pessoa + "to".

> **The not goes before "to", here too.**
> I told him *not to* call. I left early *so as not to* wake him. Nunca *for not wake*.
