

Market, not need.

In English, pay talk runs on data and soft verbs.

Ninguém diz **I want a raise**. A gente pede para conversar, traz o mercado e fecha com uma pergunta. É a mesma lógica que o RH usa do outro lado da mesa.

1 · THE ASK

Four moves, in this order.

Quatro movimentos, nesta ordem. O trecho em destaque é o chunk: ele serve para qualquer pedido.

1	Book the time Marque a conversa. Pedido de aumento não se faz no corredor.	I'd like to schedule some time to discuss my compensation.
2	Bring the market Comece pelos dados. É o argumento que o RH respeita.	Based on the research I've done , my salary is a bit below market for this role.
3	Show the value O que mudou no seu trabalho desde o último ajuste.	Since my last salary adjustment , I've taken on the whole onboarding process .
4	Name it, then ask Diga a faixa e feche com uma pergunta, não com uma exigência.	I'd like to discuss a market adjustment of 8 to 10 percent. Does that sound fair?

TOO BLUNT · direto demais	SAY THIS · diga assim
I want a raise.	I'd like to discuss my compensation.
My rent went up.	My role has grown since my last review.
I've been here three years, so I deserve it.	Here's what I've delivered this year.
If you don't pay me more, I'll leave.	I'm committed here, and I'd like my pay to reflect the market.

Below market, not underpaid.

Underpaid soa como queixa; **below market** soa como dado. O mesmo vale para **above market**.

Discuss, revisit, be open to.

São os verbos da negociação. **I need** e **I want** ficam de fora.

Salary expectations.

~~Salary pretension~~ não existe. **What are your salary expectations?** é a pergunta do recrutador.

A raise, not a rise.

Rise é britânico. Nos EUA: **get a raise**, **a pay bump** (informal), **a salary increase** (por escrito).

2 · THE ANSWER

When they say no.

O não quase sempre é "agora não". Peça critério e data.

Ask for the criteria What would it take for me to be considered for a raise this year?
Ask for a date Is there a better time for us to revisit this?
Move to something else Is there any flexibility on vacation time? Is that something you'd be open to?

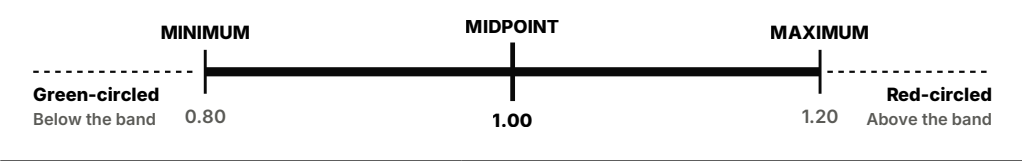

When there's another offer.

Proposta de fora: conte primeiro ao gestor, sem ameaça.

To your manager I wanted to let you know that I've been offered a position as HR Manager with another company.
Leave the door open I'm open to discussing how my current role could evolve.
Saying no to a counteroffer Your offer was generous, but the new role gives me the growth I want to prioritize.
Saying yes After careful consideration, I've decided to stay.

Read the band.

3 · THE BAND

TERM · termo	HOW IT SOUNDS · como se fala na reunião
Pay band A faixa salarial do cargo: mínimo, ponto médio, máximo.	She's sitting at the bottom of the band.
Compa-ratio Salário ÷ ponto médio. 1.00 é exatamente o meio.	He's at a compa-ratio of 0.88.
Market adjustment Ajuste porque o mercado subiu, fora do ciclo.	This is a market adjustment, not a merit increase.
Merit increase Aumento por desempenho, no ciclo anual.	Merit increases are tied to the review cycle.
Pay compression Quem chega ganha quase o mesmo que quem já está.	Matching that offer would create compression.
Internal equity Justiça entre cargos dentro da empresa.	A 30% bump would break internal equity.
Total comp Salário mais bônus, benefícios e ações.	Let's look at total comp, not just base.
Flight risk Alguém com chance real de sair.	She's a flight risk, and she'd be a regrettable loss.

Watch out. Os falsos amigos de quem fala português na hora de mudar de emprego.	Proposta proposat	a job offer	Contraproposta counterproposat	a counteroffer
	Pedir demissão demit	resign · put in my notice	Aviso prévio previous notice	two weeks' notice
	Salário líquido liquid salary	take-home pay	Compensar horas compensation	comp time

HR doesn't say cheap or expensive. It says where you sit.

Do lado do RH, salário é posição na faixa. Quem domina esse vocabulário negocia melhor a própria carreira e orienta melhor o gestor.

4 · FROM THE CLIP · VIVIAN TU

CHUNK	BOSS? AT WORK, SAY · no trabalho
Get a sense of the market	👍 Let me get a sense of the market.
Market rate	👍 What's the market rate for this role?
The industry is contracting	👍 Retail is contracting this year.
Meet someone's expectations	👍 The offer didn't meet my expectations.
One foot out the door	👎 I'm exploring my next step.
I'm being overpaid	👎 I'm paid above market.
Cool your jets	👎 Let's hold off for now.
Run.	👎 I'd seriously consider that offer.

No vídeo, **foot out the door** quer dizer sondar o mercado sem sair. Um chefe vai entender "está de saída". Entre amigos, tudo bem; na reunião, não.
