

Four ways to ask.

Four questions, four real people, one afternoon walking around the school.

Você vai entrevistar quatro pessoas da escola. **Uma pergunta abre a porta e decide as outras duas.**

Prancheta, caneta, e um cartão por pessoa. Anotação curta em inglês já serve.

NAME

DATE

1 · THE DOOR

Ask everybody this, always first

Ouçá uma palavra só. Ela entrega a geração da pessoa.

When you were my age, how did you talk to your friends?

Repare que ela mesma é uma *direct question*: palavra de pergunta, *did*, pessoa, verbo na forma base.

2 · MY FOUR QUESTIONS

Two are mine, two depend on the person

Copie as suas nas linhas. Nada encaixou na porta? Use o painel B.

Everybody

As suas, da aula

1 · DIRECT

2 · SUBJECT

A

Generation Z

WhatsApp · Instagram · TikTok

3 · INDIRECT

Could you tell me how you and your friends decide where to meet?

4 · TAG

You've never used a landline, have you?

B

Millennials

MSN · Orkut · Facebook

3 · INDIRECT

Could you tell me what your first chat app was?

4 · TAG

You had MSN, didn't you?

C

Gen X and before

The landline · a letter · a note

3 · INDIRECT

Could you tell me how you made plans with your friends before cell phones?

4 · TAG

You didn't have a cell phone at school, did you?

**Excuse me, could I ask you four questions for my English class?**

E no fim: **Thank you very much!** Nunca pergunte a idade de um adulto. A pergunta da porta já resolve isso: ela pergunta **quando**, nunca **quantos anos**.

THE EXAMPLE

What a filled card looks like

Anotação curta, em inglês, nunca frase completa.

SOLVED EXAMPLE · cartão preenchido

PERSON AND JOB		PANEL
EX	<u>Marcos, PE teacher</u>	A B C
1	DIRECT · THEIR ANSWER	
	<u>Almost never. Only his mom, on Sundays.</u>	
2	SUBJECT · THEIR ANSWER	
	<u>His brother, every day</u>	
3	INDIRECT · THE STORY	
	<u>First chat app = MSN, when he was 14.</u>	
	<u>Internet used the phone line, so his sister had to get off first.</u>	
4	TAG · WAS MY GUESS RIGHT?	
	YES Y NO N	
	WHAT THEY ACTUALLY SAID	
	<u>"Actually, I had Orkut before MSN."</u>	

Look at line 4. The guess was wrong, and that is the best line on the card.

Ninguém escreve frase inteira no corredor: o cartão é só para você lembrar depois. **Quando o palpite da pergunta 4 erra, copie as palavras da pessoa entre aspas**, porque esse é o único inglês da folha que você não poderia ter adivinhado sozinho.

WHAT THEY ACTUALLY SAID

What the four said.

Put the four cards side by side and look for the pattern.

Quatro pessoas não provam nada sobre uma geração inteira, e está tudo bem: o que você tem é a voz de quatro pessoas reais, que é exatamente o tipo de prova que o artigo do livro usa.

4 · THE PATTERN

One line per person

5 · PROVE IT

Say it, then prove it

Toda afirmação precisa de um exemplo que veio de uma pessoa de verdade.

- 1 The people I talked to _____.
For example, _____.
- 2 The most surprising answer was _____.
- 3 My guess in question 4 was _____, because _____.

One question you could not have answered before today.

Escreva aqui a coisa que você só descobriu porque perguntou. Essa frase abre a próxima aula.
