

Verb Patterns · homework

I want you to go. Not "I want that you go."

Os exercícios são os mesmos da aula online, com a mesma numeração: **5** a máquina, **6** Translate, **7** Fix it, **8** Your turn. Em português, "que" + subjuntivo funciona com qualquer verbo. Em inglês, cada verbo pede uma de **três famílias**.

NAME: _____

DATE: ____ / ____

REFERENCE

The three families

As três famílias

Find the main verb first. The verb decides the family.

O "que" do português quase sempre some. Só a Família 3 mantém o **that**.

FAMILY	VERBS	EXAMPLE
FAMILY 1 verb + person + to	want, need, ask, tell, advise, expect, allow, encourage, persuade, remind, warn, invite, convince, teach, force, would like	She asked me to wait outside. Ela pediu pra eu esperar lá fora.
FAMILY 2 let · make · have + person + verb	let, make, have Sem to depois da pessoa. Have: quando aquilo é função da pessoa.	Let me carry that bag. Deixa eu carregar essa sacola.
FAMILY 3 suggest · recommend + that + subject + verb	suggest, recommend, insist, demand, propose, request Formal. Verbo sem -s e sem to.	The teacher suggested that we read more. No dia a dia: <i>Why don't we read more?</i>

not goes before to.

She asked us **not to** make noise. Nunca "she asked us don't make noise".

REFERENCE

The person

Sujeito vira objeto

In families 1 and 2, use the object form.

Com nome, nada muda: *I want Rafa to go*. Na Família 3 a pessoa continua sujeito: *that he go*.

SUBJECT · sujeito	I	you	he	she	we	they
OBJECT · objeto	me	you	him	her	us	them
