

NEURAL ENGLISH - WH QUESTIONS - TEXT WITH GAPS - A1+

Read the story. Ask the question.

Read the text carefully. Each number marks a gap. Write the WH question that would reveal the missing information.

Lena

she · content creator

Daniel

he · marketing analyst

Carol

she · project manager

Sam

he · UX designer

A Busy Weekend

1

Last Saturday, Lena woke up early and went to (place). She took the train and arrived in the afternoon. It was her first time there and she loved it.

2

Daniel cooked (dish) for dinner on Saturday night. He never tried this dish before. His friends came over and ate everything.

3

Carol didn't stay home that weekend. She visited (person). She didn't see them for a long time and she really missed them.

4

Sam went to a design exhibition on Saturday afternoon. He went (manner). He always visits exhibitions alone — he concentrates better that way.

5

Lena is very active on social media. She usually posts (number) photos after every trip. Her followers always wait for her updates.

6

Daniel called Carol to talk about the dinner. He called her (time). Carol was already sleeping on the sofa when the phone rang.

7

Sam found a coffee shop near the exhibition. He went back the next morning (reason). He said it was the best coffee he had all week.

8

Lena loves talking to her friends. She calls Daniel and Sam (frequency). They have long, comfortable conversations every time.

9

Carol is planning a trip for next month. She is thinking about going (place). She wants somewhere quiet and not too far from the city.

10

Sam is going to the next exhibition. He is inviting (person) this time. He wants to share the experience with someone.

Fam. A - WH + Does/Do + subject + base verb? | **Fam. B** - WH + Did/Was/Were + subject + verb? | **Fam. C** - WH + IS/ARE/WAS/WERE/WOULD + subject + verb?
