It's winter! I love the snow and I always build a snowpal with my brother when it's snowing. This year our snowpal is called Bob. He's wearing a hat and a scarf. My brother is ice skating with his friend at the moment. I don't like ice skating because I do it very badly. I'm with our dog. He's very happy. He's digging in the snow really quickly. My parents are skiing. My mom likes skiing and she does it well, but my dad usually falls over. It's so funny!
