Hi Tom

How's your summer?

Cornwall is great! There's a big beach next to our hotel and I'm going to learn to surf in the morning. It's sunny, but I'm not going to take my new sun hat. I'm going to need a wetsuit and a big towel because the sea is really cold! Dad and Aisha aren't going to come to the beach. They're going to play mini golf.

Tomorrow we're going to visit a castle, but we're not going to go to the museum. That's good because I don't like museums!

See you soon!
