01 The Pattern

reference

STRUCTURE

make + **object pronoun** + **adjective**

The adjective describes **the object**, not the subject. **Get** is what happens on its own — *the room got warm*. **Make** is what someone or something causes — *the fire made the room warm*.

The object pronoun goes between the two: never ~~makes calmer her~~, always **makes her calmer**.

me

私を・私に
mim / me

you

あなたを
você / te

him

彼を
ele / o

her

彼女を
ela / a

it

それを
isso / o, a

us

私たちを
nós / nos

them
