Sports with my friends and family*by Sonya Hassan, age 13*

My friends and family love sports. My best friend Laila likes running. She runs for one hour before breakfast five days every week. She likes tennis too and she plays in a club on the weekend. My friend Khalid likes basketball and soccer. He plays for the school soccer team. We all play sports together on the weekend. Laila doesn't like sports with big teams. She plays tennis with me and runs with Khalid, but that's it! Khalid and I play basketball and soccer with other friends.

My parents love sports too. My father Rashid likes cycling and car races, but I don't! He also loves scuba diving, but I can't swim and I don't like the water. My mother Aisha likes cycling, but she doesn't like car races. She loves tennis and we play tennis together. My brother is Moayad. He's young—he's five years old. He likes swimming. He loves the water! He can't ride a bike, so he doesn't like cycling. My sister is called Salma. She doesn't play sports—she's only eighteen months old!
