When Mom came home from work, Mike didn't feel well. "I have a stomach ache", he said. "You don't look very well", said Mom. "You should take a nap." So Mike watched some TV, but he didn't feel better. "Mom, I feel sick", he said. "Maybe we should call the doctor", said Mom. "What did you eat today?" "I had sandwiches for lunch and I had some cake when I came home." Mom looked in the fridge. "Where's the cake now, Mike?" she asked. "I ate it." he said. "All of it?" "Yes", said Mike. Mom was very surprised. "Well, that's why you feel sick. You shouldn't eat lots of sugar." "I should take some medicine", said Mike. "No, you just need to wait until you feel better", said Mom.
