READING

Paul lives in Miami but he knows Tokyo, New York, and many international cities very well. Do you want to know where there are great beaches in Thailand? Ask Paul. The best museums in Berlin? Ask Paul. He also knows where there are nice cheap restaurants in Paris and Rio de Janeiro. Every year, he visits those cities many times, because Paul is a pilot. He flies planes to and from the United States.

Paul usually works one day and then the next day, he stays in a hotel to relax. He has time to visit the area and buy presents for friends. Then he flies back to the U.S. He travels with one small suitcase. There are a couple of shirts, a pair of swimming shorts, two T-shirts, and a pair of sandals in it.

Where does he go on vacation? "I travel so much because of my work," he says. "So, I always enjoy spending time in my own country. I love fishing in a river near my house."

17 Read the text. Match the sentence halves.

- | | |
|---------------------|-------------------------------------|
| 1 Paul travels | a) in the United States. |
| 2 He lives | b) a pilot. |

WRITING

19 Read the prompt. Write your answer in 30–40 words.

Imagine your friend Malia has sent you this email:

Hey!

How are you?

Tell me about your new evening class. What do you study? Who is the teacher?

When do you have your class? Do you like the other students?

Write back soon!

Love,

Malia

Write a reply. In your reply, you should:

- thank your friend for writing to you
- answer all of your friend's questions
- check your email and the spelling.
