— Deeper Practice Before the Test

USO DO ALUNO · REPRODUÇÃO PROIBIDA · RESPOSTAS NO GABARITO, AO FINAL

How to Spot the Word Type

COMO IDENTIFICAR O TIPO DE PALAVRA · OLHE O QUE VEM LOGO ANTES E LOGO DEPOIS DA LACUNA

NOUN

substantivo

Usually comes right after **a / an / the · my / your / his / her / its / our / their · this / that / these / those · some / many / few ·** or a possessive **'s**.*the decision · her kindness · three activities · the bridge's failure*

VERB

verbo

Usually comes right after a subject (**I / you / he / she / it / we / they**) · a modal (**can / will / must / should**) · **to** (infinitive) · an auxiliary (**do / does / did / have / has**) · or an adverb of frequency (**always / never / usually**).*she decided · will simplify · to arrive · always lets*

ADJECTIVE

adjetivo

Usually comes right before a noun, or right after a "be"-type verb (**is / was / seems / becomes / looks / feels**).*a kind gesture · she seems calm · it became clear*

ADVERB

advérbio

Often ends in **-ly** · modifies a verb, an adjective, or another adverb · can move around the sentence more freely than the others.*quickly decided · extremely kind · fairly often*

Dica: antes de preencher a lacuna, pergunte "o que vem logo antes, e logo depois?" — isso quase sempre entrega a categoria certa.

01 Nominalisation · Extensive Practice

15 items

Complete each sentence with the correct noun form of the word in brackets.

Reminder · the 7 suffixes turn a verb or adjective into a **noun**. A possessive ("the bridge's ____") or an article ("a ____") right before the gap is almost always a signal that a noun belongs there.

1. Her sudden (*arrive*) — three days early — caught the whole inn by surprise. _____
2. The bridge's (*protect*) plan included steel supports after the flood. _____

11. The company's (*fail*) to repair the cable car left the mountain closed for a season. _____
12. The garden's (*develop*) plan includes a new moss path by next spring. _____
13. The two families reached a quiet (*agree*) about sharing the well. _____
14. The waterfall's (*strong*) — enough to move a small boulder — surprised even the guides. _____
15. The old ferryman's sudden (*depart*) left the island without transport for two days. _____

02 Word Families · Story Gap-Fill

12 items

Turn the adjective in brackets into the correct verb form.

Reminder · these verbs are built from adjectives. Ask: does the base word already work as a verb (warm, calm, cool — zero-suffix), or does it need **-ize/-ise, -en, or -ify**?
